## Professional Experience

### **2009 – Ongoing. Managing Partner, Fund Balance**

[Fund Balance, LLC](#) is an advisory company dedicated to sustainable non-discretionary infrastructure investment and policy. We focus holistically on what people need: water, food, clothing, shelter, energy, healthcare, crafts. We also specialize in modern green investments such as recycling, environmental remediation, triple bottom line ecosystem services, social innovation and supporting businesses.

We are focused on creating and empowering sovereign bioregional economies that are prepared to be self-reliant in the face of global economic crisis.

Our goal is to create a socially and environmentally (ES) responsible reference portfolio that includes all major sectors from fixed income and public equities to hedge funds, real estate, private equity/VC and ecosystem services.
